

## HLTAID012 PROVIDE FIRST AID IN AN EDUCATION AND CARE SETTING

SHE Group (Safety Health and Environment) is a privately owned and operated business based in Brisbane, Queensland. We specialise in quality education and training, first aid supplies and WHS contracting services to Australian workplaces. Our priority is to deliver professional, affordable, and engaged onsite consulting services to our community.

SHE Group is a third party provider delivering nationally recognised training and assessment in WHS and First Aid courses on behalf of Allens Training Pty Ltd RTO 90909.

### HLTAID012 Provide First Aid in an education and care setting

This course provides practical training for workers within an education and care setting to respond to first aid emergencies in line with legal and workplace requirements, Australian Resuscitation Council guidelines and other Australian national peak clinical bodies.

It teaches how to identify illness or injury, access emergency services, safely provide first aid treatment using action plans, equipment and resources, for CPR, defibrillation, administering an autoinjector for anaphylaxis, administering asthma medication, immobilisation for envenomation, fractures, dislocations, sprains and strains, for bleeding and shock and other conditions.

You will learn basic anatomy, physiology and the differences between adults, children and infants relating to CPR, managing an infant or child with an acute illness, or who requires an immediate ambulance response and conveying incident details to parents, caregivers and emergency services. The course covers completing incident documentation and debriefing for improvement of response, recognising psychological impacts, talking with children about their emotions and seeking help as required.
