

## HLTAID014 - PROVIDE ADVANCED FIRST AID

SHE Group (Safety Health and Environment) is a privately owned and operated business based in Brisbane, Queensland. We specialise in quality education and training, first aid supplies and WHS contracting services to Australian workplaces. Our priority is to deliver professional, affordable, and engaged onsite consulting services to our community.

SHE Group is a third party provider delivering nationally recognised training and assessment in WHS and First Aid courses on behalf of Allens Training Pty Ltd RTO 90909.

### HLTAID014 - PROVIDE ADVANCED FIRST AID

Challenging situations, such as multiple casualty incidents, having to move or extricate casualties, or treating potentially fatal illnesses and injuries are high risk. It is imperative that training occurs to be able to know what to do when confronted with a real-life incident.

This course provides practical simulated real-life situations to learn and gain the confidence to coordinate and manage a response and provide advanced first aid in line with legal, community and workplace considerations, guidelines and other Australian national peak clinical bodies until emergency services arrive. The course covers recording casualty condition, completing workplace incident documentation and debriefing for recognising areas for improvement, psychological impacts, and seeking help as required.

#### PREREQUISITE:

This course has a pre-requisite of **HLTAID011 Provide First Aid** which must be completed **prior** to undertaking this unit of competency. *Participants must have the physical capacity to perform the practical demonstrations, such as 2 minutes of uninterrupted CPR on the floor.*

#### Online study:

Students must have access to a computer, smartphone, tablet or other electronic devices with access to the internet to complete the online/ pre-course studies.

#### AWARD ISSUED:

- HLTAID009 - Provide cardiopulmonary resuscitation
- HLTAID010 - Provide basic emergency life support
