SHE Group (Safety Health and Environment) is a privately owned and operated business based in Brisbane, Queensland. We specialise in quality education and training, first aid supplies and WHS contracting services to Australian workplaces. Our priority is to deliver professional, affordable, and engaged onsite consulting services to our community.

SHE Group is a third party provider delivering nationally recognised training and assessment in WHS and First Aid courses on behalf of Allens Training Pty Ltd RTO 90909.

### HLTAID015 - PROVIDE ADVANCED RESUSCITATION AND OXYGEN THERAPY

This Advanced Resuscitation course is delivered in line with the Australian Resuscitation Council guidelines and first aid code of practice and applies to those who may be required to provide first aid, CPR and oxygen in a range of complex situations, including community and workplace settings.

Simulated real-life situations will be used to develop the skills and knowledge for using and maintaining specialised equipment for the provision of first aid, resuscitation, and oxygen therapy.

Instruction on first aid and CPR will be provided, as well as treatments specific to advanced conditions, such as inserting an appropriate basic airway adjunct, using tourniquets and haemostatic dressings for life-threatening bleeding, and administering oxygen safely at the correct flow rate.

The course covers recording casualty condition, conveying incident details, completing workplace incident documentation, and debriefing to recognise areas for improvement, psychological impacts, and seeking help as required.
