

UETDRRF06 - PERFORM A RESCUE FROM A LIVE LV PANEL

SHE Group (Safety Health and Environment) is a privately owned and operated business based in Brisbane, Queensland. We specialise in quality education and training, first aid supplies and WHS contracting services to Australian workplaces. Our priority is to deliver professional, affordable, and engaged onsite consulting services to our community.

SHE Group is a third party provider delivering nationally recognised training and assessment in WHS and First Aid courses on behalf of Allens Training Pty Ltd RTO 90909.

UETDRRF06B PERFORM RESCUE FROM A LIVE LV PANEL

The Low Voltage Panel Rescue course is essential if you are conducting live work or working with live switchboards. The course covers the performance of rescue procedures from a live Low Voltage (LV) apparatus, not including overhead lines and underground cables in the workplace.

Course specifies the mandatory requirements of rescue from a live LV panel and how they apply in the context of transmission, distribution or rail work functions. It encompasses responsibilities for, health, safety and risk management processes at all operative levels and adherence to safety practices as part of the normal way of doing work.

PREREQUISITE:

Participants must have:

- **Prerequisite:**

This course has a prerequisite of **HLTAID001 - Provide cardiopulmonary resuscitation** (Evidence of completion and currency is required).

- **Physical fitness:**

Participants must have the physical capacity to complete a practical demonstration of a simulated LV panel rescue.

- **Pre-course study:**

Students may be required to undertake online pre-course work prior to attending the face to face session depending on the course delivery mode.

- **Online study:**

Students must have access to a computer, smartphone, tablet or other electronic devices with access to the internet to complete the online/ pre-course studies.

AWARD ISSUED:

- **UETDRRF06B PERFORM RESCUE FROM A LIVE LV PANEL**

UETDRRF06 - PERFORM A RESCUE FROM A LIVE LV PANEL
