HLTAID012 PROVIDE FIRST AID IN AN EDUCATION AND CARE SETTING

SHE Group (Safety Health and Environment) is a privately owned and operated business based in Brisbane, Queensland. We specialise in quality education and training, first aid supplies and WHS contracting services to Australian workplaces. Our priority is to deliver professional, affordable and engaged onsite consulting services to our community. SHE Group is a third-party provider delivering nationally recognised training and assessment in WHS and First Aid courses on behalf of Allens Training Pty Ltd RTO 90909.

This course provides practical training for workers within an education and care setting to respond to first aid emergencies in line with legal and workplace requirements, Australian Resuscitation Council guidelines and other Australian national peak clinical bodies.

This course teaches how to identify illness or injury, access emergency services, and safely provide first aid treatment using action plans, equipment and resources for CPR, defibrillation, administering an autoinjector for anaphylaxis, administering asthma medication, immobilisation for envenomation, fractures, dislocations, sprains, and strains, bleeding and shock and other conditions.

You will learn basic anatomy, physiology and the differences between adults, children and infants relating to CPR, managing an infant or child with an acute illness or who requires an immediate ambulance response and conveying incident details to parents, caregivers, and emergency services.

The course covers completing incident documentation and debriefing for response improvement, recognising psychological impacts, talking with children about their emotions and seeking help as required.

Unit Delivered

The following units will be included in your certificate:

- HLTAID012 - Provide First Aid in an education and care setting
- HLTAID011 - Provide First Aid
- HLTAID009 - Provide cardiopulmonary resuscitation
